

Dear Parents,

We'd like to welcome you to Grade Three! We are very excited and happy to have the opportunity to spend this school year with your child.

We are excited to continue to share our role as the grade three teachers. Mrs. Quesada will teach on Monday, Wednesdays, and Fridays and will teach all language subjects, math, and health. Mrs. Matter will teach on Tuesdays and Thursdays and will teach social studies, science, art, and Bible. We look forward to another wonderful year filled with engaging learning experiences for your child.

Parents, we are acutely aware that teaching your child is a privilege as well as a tremendous responsibility. We will do our best this year to both ensure that each student has a motivating and safe learning experience in the classroom and to provide the students with a challenging and dynamic experience where they can grow academically and continue to develop their God given talents. As partners in the learning process, you can encourage your child at home, ensuring that they have completed their daily assignments and prepared adequately for quizzes and tests. We will keep you informed of upcoming assignments, tests, and subjects to be covered in class through our weekly planner.

Just a few reminders for the first day of school:

- School starts at 8:45am. Please arrive on time as daily work begins at 8:45am.
- Please try to label all clothing so that when items are found they can be returned to the rightful owner.
- Students should bring at least one healthy snack each day to be eaten at first recess.
- ALLERGY ALLERT - We have a few students with SEVERE allergies in our school. **NO nut products will be allowed in the school.**

We look forward to a fun, engaging school year. For those we haven't met before we look forward to meeting you at Parent Teacher Night. For those who know us, we look forward to reconnecting on Parent Teacher Night.

In His Service,

Candice Quesada & Shannon Matter

Welcome Students,

I hope you have had a wonderful restful summer. I look forward to teaching you this year and growing together.

Over the next few weeks as you finish up your holidays I'd like you to collect 3 pictures of somewhere you went or something exciting you did this summer. The pictures can be printed or you can draw a colourful picture. We are going to use these pictures as part of our first writing piece in grade 3.

Please make sure the pictures are at school on Wednesday September 6th, as we will be using them that day.

Rest up and enjoy your last few weeks of sunshine.

Mrs. Quesada
