

Welcome to Grade 5

Dear Grade 5 Parents,

I trust you and your family have had an excellent summer. In just a few short weeks, your child will be back at school and entering grade 5. Grade 5 promises to be an excellent year filled with great novels to study, projects to build and so much to learn!

To help get the school year started off in the right direction, and to help each day run smoothly, there are a few things that all grade 5 students need to have for the first day of school.

Please refer to the “BCA School Supply List” included with this email.

REMINDERS:

- Please label all clothing so that when items are found they can be returned to the rightful owner.
- Students should bring at least one healthy snack each day to be eaten at first recess.
- ALLERGY ALERT - We have several students with SEVERE allergies in our school. NO nut products of any kind should be brought to school.

I look forward to working with you and your child to make this year a fun and successful Grade 5 year!

God Bless,

Miss Bowler
