

Welcome to Grade 6

Dear Grade 6 Parents & Students,

Welcome to Grade Six!

I hope all of you have had a fun filled summer vacation. I have been enjoying time relaxing with my wife and playing with my little ones. I am very excited to begin our journey through Grade 6 together.

Parents, I am excited for the privilege of teaching your children. I look forward to challenging them to reach their academic goals this year. I can't wait to help them develop their God given gifts and talents. I strive to provide them with an environment where they feel safe and free to ask questions while collaborating with their peers in the learning process. It is my hope that you will partner with me by encouraging them to complete their homework assignments and prepare adequately for quizzes and tests. I will use Google Classroom as my main method of communication but If you require further information, please feel free to contact me at dan.cope@onlyatbccs.com
