

Welcome to Grade 7

Dear Grade 7 Parents & Students,

I hope all of you have had a fun and relaxing summer vacation. I am very excited to have the opportunity to spend this school year teaching Grade 7.

I have been part of the B.C.A. community for the last 5 years. I am looking forward to my new role as Grade 7 homeroom teacher. I am eager to learn alongside each student as we explore and learn together.

Parents, I am excited for the privilege to teach your child. I will do my best to ensure that each student has a motivating and safe learning experience and to provide challenge, where each student can grow academically and continue to develop their God given gifts. As partners in the learning process, you can encourage your child at home, ensuring that they complete their homework assignments and prepare adequately for quizzes and tests. I will keep you informed through Google classrooms. If you require further information please contact me at shannon.matter@onlyatbccs.com.
