

Welcome to Grade 8

Dear Grade 8 Parents & Students,

Welcome to the Graduating Class of 2019!

I hope all of you have had a fun and relaxing summer vacation. I am very excited to spend this upcoming school year teaching Grade 8. Although I have spent the last nine years teaching Grade 7, I am excited to take on a new role and see this class through their completion at BCA.

Parents, this year will be an intense year of learning as we prepare our Grade 8's for their journey to high school. We will use chrome books within the class and Google Classrooms as the primary source of communication of classroom materials. In addition to curricular expectations, the class will have many opportunities for leadership as we prepare them for their journey forward. If you have any questions or comments please contact me at jd.collier@onlyatbccs.com.

I look forward to working with you and your child(ren) this year.
